Ah, Julianne Donaldson. She has such a power for weaving stories that throw you in a complete whirlwind of emotions, whether good or bad; her writing is so elating, vivid, and beautiful, it makes the simplest characters and plot points really stand out and come alive. She is really talented, and so far all the books I've read by her made me feel strongly.

Blackmoore Proper Romances Julianne Donaldson

Julianne does it again! Edenbrooke was amazing and Blackmoore is equally so. A completely different story. Yet the characters are developed just as well they feel real. You feel like you are sitting in the same room experiencing everything with them. Within the first chapter I was drawn in and had to finish just 9 hours after it was delivered to my door! I don't want to give anything away but I will say I love the interaction between the two main characters.
