### **The Servant by James C Hunter More than Mountains and**

In The Servant, James C. Hunter recalls a turning point in his life where he discovered a new way of leading his employees while a manager at a glass making plant. He argues the essence of leadership is found in relationships, both how they are built and how they are maintained. Respect is a powerful commodity and is only given by others not taken by force. It is only by investing in those being led that rewards can really be reaped in a company or organization.
